

Research Illustration Masterpieces (images from science)

To have your masterpiece (from fMRI, MRI, electron microscope, etc.) considered for display in the Replacement Research Facility, please read the information below. Submit the entry form with digital files as instructed.

The review committee reserves the right to determine the exhibition of all entries selected. Selected images for the Replacement Research Facility will be reproduced as four-by-four foot squares. Submitted images may be used as art in other buildings or as promotional materials.

Eligibility and Requirements

- University of Texas Medical School faculty, staff, students and physicians-in-training, are eligible to participate in this contest.
- 1-5 submissions per person.
- Original compositions only with permission of publisher when applicable.
- Images must be at least 3500 pixels in size and submitted digitally on CD or DVD. (E-mail submission of entry with lower resolution file is permitted, if original file is available at specified high resolution – e-mail thumbnail to m.darla.brown@uth.tmc.edu).

To submit your masterpiece for consideration:

o Return this completed entry form with digitally submitted work on CD or DVD to MSB B.340.

o Entry must include:

- Name of artist, affiliation (staff, student, etc.):

- Title of Piece:

- Medium:
