## Student Focus

Since our formation in 1981, the Organization's sole purpose is to support the students and to enhance the quality of student life at The University of Texas Medical School at Houston.

The funds we raise provide financial support for the following:

- ❖ Short-term interest-free loans of up to \$2,000
- ❖ Scholarships
- ❖ Meals during mid-term and final exams
- ❖ Freshman Retreat
- ❖ Clinical Orientation Program for Parents and Spouses

## Your Help is Needed!

To continue providing this kind of support for our students, we ask that you consider making a contribution to The Organization of Parents and Friends. Your tax-deductible gift will be used to continue our current programs and to expand them in the future.

Our operating costs are generously underwritten by the Medical School so you can be assured that 100% of your gift will support student activities.
